

## **PALS LITTLE'S APPLICATION 2020-2021**

PALS is a community-oriented organization which matches Luther College students with elementary and middle school age children, grades K-6, in a mentoring relationship. This program is open to all interested families. Due to COVID-19, PALS will be conducted a little differently this year. We are planning on doing a "pen pal" format where Luther students mail out letters on a monthly basis. The letters will include fun craft ideas or games for the children to do at home. The format for PALS this year is subject to change-- all changes will be communicated to parents via email or phone. If you have any questions, please contact **pals@luther.edu**.

**\*\*Note:** because of the changes this year, there will be no charge to participate in PALS.

If this sounds like a program your child would enjoy, please fill out this form and return it to:  
**Gretchen Blain, 700 College Drive, SPO 306, Decorah, IA 52101**

Do not miss the sections on the back of this sheet! All information will remain confidential. Please return this application **in the mail by Friday, October 24th**.
