April 14, 2023

Decorah Community Schools 2023-2024 School Registration opens on Monday, April 17th.

An email will be sent to parents on Monday morning with information about the registration process.

The early registration consists of two parts:

- parental completion of the online portion of registration in PowerSchool
- completing payment for instructional fee, towel fee, and technology fee

Deadline to have all 23-24 registrations is June 1.

Information about all other fees will be communicated to parents through email in late July or early August.

The purpose of early registration is to have ample time to plan for class sizes and staffing, purchase teacher school supplies, and other necessary preparations prior to the beginning of the next school year.

Attached you will find the registration ad that has been advertised in Decorah Newspapers and will be on Decorah News next week as well.

Any questions can be directed to the building administrative assistants. They appreciate your support of this process.

Tim Cronin, Superintendent
