

Kids Lunch Club is back for summer 2023! All area children and youth (18 and under) are invited to pick up a free “Grab and Go” style lunch on weekdays throughout the summer. This summer the Kids Lunch Club is expanding and will not only be providing great lunches, but will also provide a variety of activities for student and family engagement. Stay tuned for more information about awesome events coming up this summer at Kids Lunch Club (events will be shared on the Kids Lunch Club, John Cline, and Carrie Lee Facebook Pages and via Decorah Now).
