

## BackPack Program 2023-2024

## Registration Form

Dear Parents/Guardians,

Northeast Iowa RSVP and Decorah schools are partnering with the Northeast Iowa Food Bank to provide the BackPack Program weekend food bags to students during the 2023-2024 school year. The program begins in September and will continue throughout the school year.

The BackPack Program provides non-perishable food for students most in need to eat over weekends and breaks when school meals are not available. The food is provided by Northeast Iowa Food Bank, and by individuals in the community, at no charge to students, families or schools.

Please carefully consider your family's economic status and determine if this program is something needed by your child(ren). If so, complete the attached registration form and turn in at your school office. If you are able to make do without this assistance, please allow this program to be used by others.

Items distributed in the BackPacks bags may include cereal, juice, fruit products, canned or boxed meals (some may require cooking), and granola bars. Parents and guardians concerned with food allergies need to be aware that BackPack Program items may include ingredients such as nuts, soy, wheat, eggs and milk. The Northeast Iowa Food Bank and Decorah schools will not assume any liability for adverse reactions to food consumed.

The food will be distributed to your child at the end of the school week. Please explain to your child that the food must not be eaten or opened until they are home.

The Northeast Iowa Food Bank strives to include healthy and safe food. All food is labeled and sealed by the manufacturer. While some products might be past the marked best-by date, we have worked with the manufacturer to ensure they are still safe to consume. If you open an item and notice a problem, please contact the Northeast Iowa Food Bank immediately.

Sincerely,

Partner Capacity Coordinator
