

Discovery Camps

for kids who love the wild

Discovery Camps are week-long opportunities for students entering grades 1-9 to get hands-on outdoor learning experiences. Campers will spend their days exploring and connecting to nature, gaining new skills, meeting new friends, and making lasting memories!

2024 Camp Offerings

Wild Wonderers

June 10-14 | For campers entering 1st/2nd grades | \$130

Little ones are filled with such excitement about the natural world, and they carry with them a spirit of discovery! Campers will spend time learning and exploring the natural world through adventure hikes, nature games, crafts, and hands-on exploration activities to foster their wilderness awareness.

This camp will be based out of Whalen Cabin in Decorah, IA.

Adventurers

June 17-21 | For campers entering 3-6th grades | \$130

Dig in the dirt, investigate interesting places, spy on bugs, explore the water, and rediscover roots. Campers will spend time learning and exploring the beauty and diversity of our environment as they hike, play adventure games, and explore the natural areas of Winneshiek County!

This camp will be at Lake Meyer Park near Calmar, IA.

Explorers

June 24-28 | For campers entering 7-9th grades | \$130

Explore the outdoor recreation opportunities of Lake Meyer Park & Campground! Campers will try their hands at kayaking, fishing, archery, shelter building, fire making, and more as they learn about our environment and meet the local heroes working to conserve our natural resources.

This camp will be at Lake Meyer Park near Calmar, IA.

Partial camp scholarships are available based on financial need.
