Grades 7-9

June 16-18  
9 am – Noon  
Cost: \$35

Technology and creativity are joined in this innovative nine-hour, GMAW class open to students going into grades 7-9. You will learn basic weld concepts, practice hands-on welding and create an actual project to take home. All in all, you'll be equipped with basic knowledge and skills to begin the craft of welding in this level 1 class. Instruction stresses safety, so attendance at the safety orientation on the first day of class is mandatory.

Learn different styles of tie-dyeing T-shirts. You'll be able to make your own creative designs on two T-shirts to take home! This camp is designed for students entering grades K-6 in the fall 2026. Snacks are included.

Take your welding skills to the next level in this hands on, nine-hour course designed for students entering grades 7-9. Building on your previous experience, you will master advanced Gas Metal Arc Welding (GMAW) and Gas Tungsten Arc Welding (GTAW) techniques while working with aluminum. You will gain practical skills in precision welding, equipment setup and advanced safety protocols as you complete a project to take home. A mandatory safety orientation on the first day ensures you are prepared for this innovative camp.

## STEAM Creator Camp

**Grades  
1-5**

**July 8-9**  
1-2: July 8, 8 am – 4 pm  
3-5: July 9, 8 am – 4 pm  
Cost: \$15

Are you ready to spark imagination and build a foundation for future innovation? At STEAM Creator Camp, young thinkers transform into real-world engineers through hands-on exploration and cutting-edge technology. Youth will engineer sturdy structures, crack secret codes and experiment with scientific principles while mastering digital creation on the iPad to foster critical thinking and problem-solving skills in a fun, collaborative environment. Watch your creator's confidence soar as they bring their brightest ideas to life.

## Kids in the Kitchen: Junior Chef Camp

**Grades  
2-7**

**August 5-6**  
2-4: Aug 5, 9 am – 4 pm  
5-7: Aug 6, 9 am – 4 pm  
Cost: \$35

Designed for kids entering grades 2-7, this camp experience places an emphasis on having fun in the kitchen. Kid-friendly tips, sanitation, safety and proper use of basic tools and equipment will be demonstrated. Your child will also learn measurements, how to read and follow recipes and to manage time. Working together, all participants will make simple, kid-approved recipes and, of course, sample the results. Be ready to cook with your kid, because he or she will come home with several recipes to help prepare, plus a whole lot of enthusiasm! Lunch will be provided.
